

Product Data

Industrial Coating for Preventing Erosion-Corrosion and Maintaining Efficient Fluid Flow

Belzona® 1341N (Supermetalglide) is a brush or spray applied coating that is suitable for contact with potable water. It is certified to ANSI/NSF Standard 61 requirements.

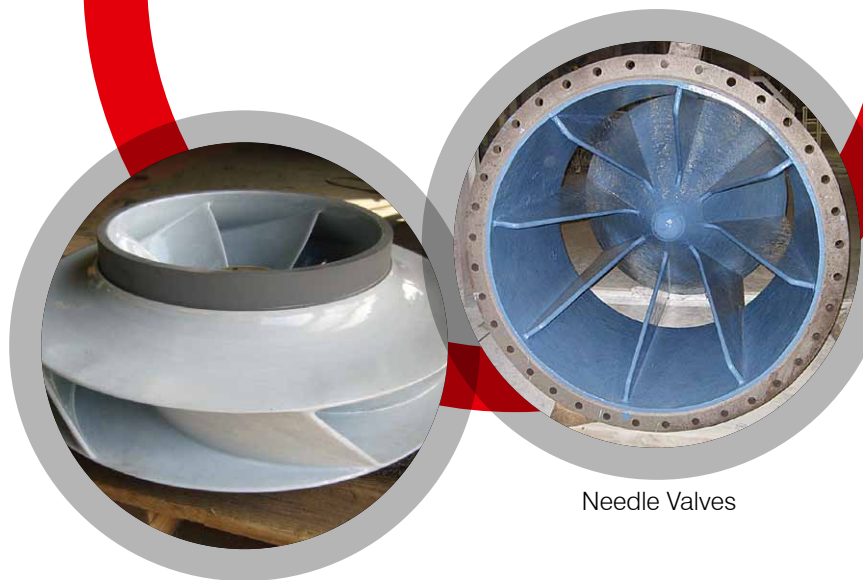

As a two-component, high performance coating system, it improves the efficiency of fluid handling systems and protects metals from the effects of erosion-corrosion.

Belzona® 1341N (Supermetalglide) will:

- Improve fluid flow efficiency
- Reduce the need for spare parts
- Protect against erosion-corrosion
- Extend equipment life

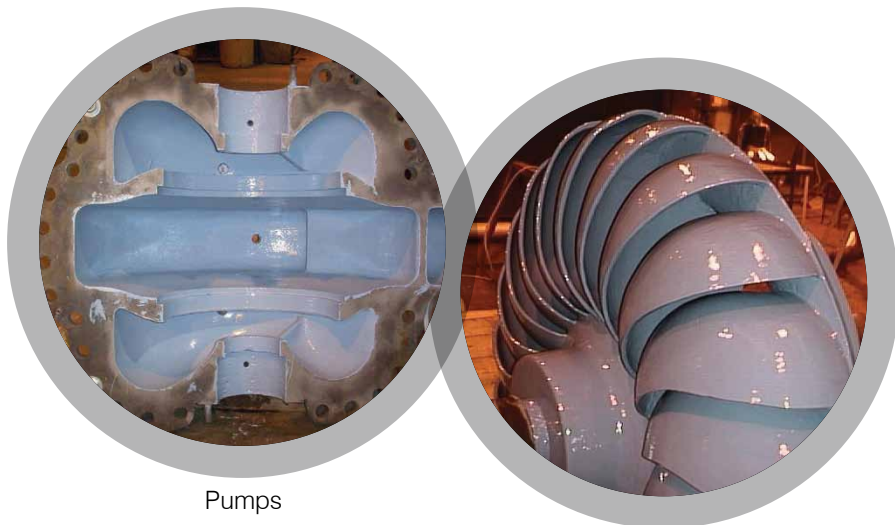

Belzona® 1341N

Supermetalglide

Impellers

Needle Valves

Pumps

Turbine Runners

Applications for Belzona® 1341N (Supermetalglide) include:

- Pumps
- Heat exchangers
- Water boxes
- Valves
- Pipes
- Water tanks
- Impellers
- Filters and strainers
- Turbine runners

Belzona® provides the solution to your repair and maintenance needs.

BELZONA®
Repair • Protect • Improve

Belzona® 1341N (Supermetalglide) is:

Belzona® 1341N Supermetalglide

Simple

- Brush or spray applied
- Long working life after mixing
- Mix and use only what is needed

Safe

- Suitable for contact with potable water
- Low temperature cure ensures no fire risk
- Environmentally friendly
- Solvent free

Versatile

- Can be overcoated within 24 hours after application without flash blasting
- Use under immersion up to 140°F (60°C)

Effective

- Outstanding adhesion
- Excellent cavitation resilience
- Good abrasion properties
- Improved hydrodynamic performance

Heat Exchangers

QUALITY PRODUCTS - TECHNICAL SUPPORT

The Belzona product range is manufactured through stringent quality and environmental control guidelines complying with the internationally recognized requirements of **ISO 9001:2000 and ISO 14001:2004**.

Belzona has a global distribution network of over 140 Distributors operating in over 120 countries. Local support is provided by trained Technical Consultants who will diagnose the problem, recommend the solution, and provide 24-hour on-site application supervision.

For more information, please contact your local Belzona representative.
